If your office/clinic requires more Requisition Pads and/or Patient Information Sheets, please call our office at **1-833-738-PEAK (7325)**, email us at [info@peakmedicalgroup.ca](mailto:info@peakmedicalgroup.ca) or download additional copies at [www.peakmedicalgroup.ca](http://www.peakmedicalgroup.ca)

† As per CPSA, please include the following in your consult letter:

- Purpose of the referral, including but not limited to specifying if the referral is solely for the purpose of a third-party request;
- Pertinent clinical information, including but not limited to the relevant investigation results; and
- Expected consultation outcomes (ex. medical opinion only, possible transfer of care, other)

If patient is unable to keep their appointment, they should call our office at 1-833-738-PEAK (7325) as soon as possible. Peak Pulmonary Function Laboratories and Peak Medical Specialty Centres respectfully requests at least 48 hours' notice for cancellations.

Methacholine challenge testing warrants clinical correlation with a referral to a respirologist/allergist as there may be other factors pertaining to the diagnosis of obstructive lung disease.

All respiratory testing includes oximetry, education for the patient, and Respirologist interpretation and recommendations.
